

Product Datasheet

Product ID: D360-P20-F05

RFecho
A Gateway to RF World

2.92mm (K) Jack (Female) 2 Hole .550 Long D360-P20-F05

This is model D360-P20-F05, 2.92mm connectors are durable, operational temperature rating of -55°C to +135°C. 2.92mm connectors provide mode-free operation through 40 GHz, offering well-matched impedance, excellent repeatability, lowest VSWR, RF leakage (≤ -100 dB).

Features

low VSWR
free through 40 GHz and less than -100 dB RF leakage.

Available Accessories

50 ohm Seal

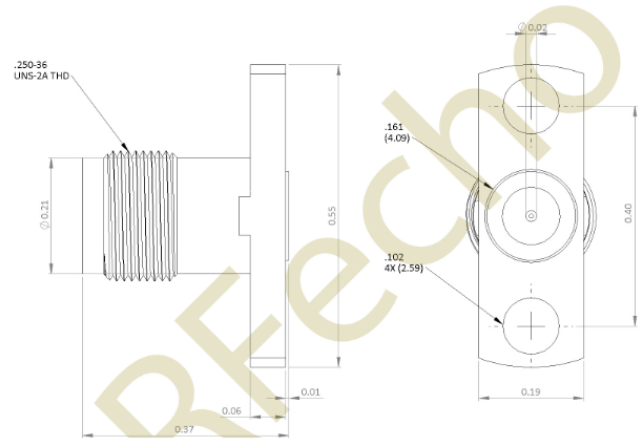

Applications

Telecom Communication
Sub-assemblies
Radio equipment and instruments
Wireless Communication
Test Labs
Instrumentations

Electrical Specifications

Frequency	(18-40) GHz
Flange Size	.550 L
Mounting	2-Hole Flange
Hermetic Seal Available	NO
Accepts Pin Diameter	.020
Gender	Female
Flange Hole Diameter	0.102

PRODUCT DIMENSIONS

RFecho	2.92mm Connector	D360-P20-F05
Pin Size (.020)	Max. Pin Depth (.065)	$\varnothing 0 (.0705)$

Isolation & VSWR
